## Press release

### GSK Stockmann's rankings in the Monterey Insight Luxembourg Fund Report on the rise

**The 26th edition of the Monterey Insight Luxembourg Fund Report shows improved rankings for the Luxembourg office. The Report was compiled by Monterey Insight, the independent fund research company, continuously observing the development of the Luxembourg fund industry.**

According to the Monterey Insight's 2020 report, GSK Stockmann is ranked TOP 4 Luxembourg law firm in the categories "Legal Advisers New Business – New Funds Only – Total Sub-funds Launched" and "Legal Advisers New Business – Sub-funds Gained During the Year". In addition, GSK Stockmann is now ranked among the TOP 10 firms in the category "Largest Legal Advisers by Assets in US\$ billion".

"Only having opened the Luxembourg office in 2016 as newcomer in the Luxembourg market, this TOP 10 ranking underlines the strong growth of our investment fund clients and their successful business", says Marcus Peter, head of the investment funds department at GSK Stockmann in Luxembourg.

"We are delighted to take the opportunity to express our gratitude to the continuous faith of our clients and the strong work dedication of our teams. Further growth is expected, which leads to the expansion of our office space in Luxembourg beginning of October 2020", adds Marcel Bartnik, co-head of the investment funds department at GSK Stockmann in Luxembourg.
