## Press release

### GSK Stockmann further improves its ranking in the Monterey Insight Luxembourg Fund Report

**The 27<sup>th</sup> edition of the Monterey Insight Luxembourg Fund Report ranks the Luxembourg office of GSK Stockmann amongst the TOP 10 Luxembourg law firms.**

The report was compiled by Monterey Insight, an independent fund research company, providing a comprehensive statistical analysis of the UK, Luxembourg, Ireland, Guernsey and Jersey fund industries serving as reference of service providers for all funds serviced in these jurisdictions. The Luxembourg Fund Report looks at the development of the Luxembourg fund industry and is published on an annual basis.

According to the Monterey Insight's 2021 report, GSK Stockmann reconfirms its position as a TOP 10 Luxembourg law firm across all categories relating to the category "Legal Advisers".

"Celebrating our 5<sup>th</sup> anniversary this year and only having started as a newcomer in the Luxembourg market in 2016, this TOP 10 ranking emphasises the strong growth of our investment fund clients and their successful business activities. We would like to take the opportunity to thank our clients for their ongoing trust and our team for their hard work to have achieved such ranking", says Marcus Peter, Partner and head of the investment funds department at GSK Stockmann in Luxembourg.
