GSK Stockmann advises DLE Logistics on the financing of a EUR 100 million logistics real estate portfolio by LBBW

DLE's logistics fund has received EUR 100 million in financing from Landesbank Baden-Württemberg (LBBW) for a logistics real estate portfolio containing properties located across Germany. The portfolio has an occupancy rate of almost 100%. The loan has a five-year term.

A GSK Stockmann team led by Rebecca Comtesse on the German side and Andreas Heinzmann on the Luxembourg side provided comprehensive legal advice on the financing. Petra Eckl and Jennifer Bierly acted as lead advisers for tax and corporate law issues, respectively, in connection with the transaction.

This financing advice is just one element of the comprehensive transaction advice GSK Stockmann is providing to support the growth of DLE's logistics portfolio, which also includes, in particular, advice on the acquisition of real estate covering aspects of real estate, tax, corporate and public law.
