GSK Stockmann in Luxembourg was again recognized as Great Place to Work® for December 2024-December 2025 based on an extensive anonymous online survey with 69 questions conducted by the Great Place to Work® Institute. As a result of the study, the trust index shows that 80 % of the team members say that GSK Stockmann in Luxembourg is a Great Place to Work®.

As the global authority on workplace culture, Great Place To Work® brings 30 years of groundbreaking research and data to help every place become a great place to work for all. The Great Place To Work® Certification™ is the most definitive “employer-of-choice” recognition that companies aspire to achieve. It is the only recognition based entirely on what employees report about their workplace experience – specifically, how consistently they experience a high-trust workplace. Great Place to Work Certification is recognized worldwide by employees and employers alike and is the global benchmark for identifying and recognizing outstanding employee experience. Every year, more than 10,000 companies across 60 countries apply to get Great Place To Work-Certified.

“We are proud to earn for the third time The Great Place to Work® Certification™ which is based on the positive feedback from our lawyers and employees alike and shows that our firm is a true collaborative and positive environment that emphasizes the importance of wellbeing. This recognition underlines our successful development combined with our strong focus on firm culture and values. Therefore, we would like to thank our entire team for contributing to establish a Great Place to Work®”, says Dr. Manuel Fernandez, Partner in charge of HR at GSK Stockmann in Luxembourg.
